## Stages description

### Day 1: Individual arrival in Warnemünde / Rostock

Your cycling holiday on the Darss peninsula begins in the old Hanseatic town of Rostock. Plan your arrival so as to give you plenty of time to be inspired by the charm of this old Hanseatic town. Warnemünde, a sophisticated resort on the Baltic Coast is particularly known for its wide, fine sandy beach and its landmark: the old lighthouse and the teapot, the 90-year-old name given to the round tea pavilion over 90 years ago.

### Day 2: Warnemünde – Wustrow / Ahrenshoop, approx. 55 / 50 km + ferry ride

Your first section is about to begin! Before you cross by ferry in Warnemünde (not included), you should visit the lighthouse. Built of red brick with green stripes, it has a very distinctive look. The climb of 135 steps is rewarded by the view at the top! After the crossing, go and have a look at the Marine Science Centre. From the sundeck of the boat, you can watch the comings and goings of a lot of seals! Via Graal-Müritz you pedal to Wustrow on the Fischland peninsula. Shortly before you reach this idyllic place, you cycle via the narrowest part of this strip of land - only 100 metres between the rough Baltic and the gentle Bodden.

### Day 3: Explore the Darss peninsula

Enjoy having ample time to explore the Fischland and Darss peninsulas. Walk along the three kilometres bank which falls down some 18 metres to the Baltic. Some of the countryside is truly stunning and reveals the power behind the waves of the Baltic. The wild romantic west beach on the Darss is constantly changing, influenced as it is by wind and weather. Trees that „flee the wind“ are how they are referred to here. They have defied storms for many decades. Their austere branches „flee“ from the storms of the Baltic Sea. Have a look around: between the abstract driftwood and tree roots, you might catch sight of a piece of amber, sparkling in the sun.

### Day 4: Cruise on the Bodden and trip to Darss town, approx. 40 / 50 km

Your cycling holiday on the Darss peninsula takes you through the Vorpommern Boddenlandschaft National Park, which stretches over the Darss. Darss forest, which covers the north west of the peninsula, has been growing for decades, untouched by human kind. Enjoy the peace and idyll here of this unspoiled countryside; it can only be explored by bike, foot or horse and cart. In Prerow, a nostalgic steamer awaits you for your circular tour of the Bodden. The calm waters relax - what a contrast to the rough beauty of the west beach!

### Day 5: Ahrenshoop – Zingst / Barth, approx. 30 – 60 km

Discover the “Darßer Wald” (Darss woods) and the romantic of the wild west beach, which is considered to be one of the most beautiful beaches in Europe. From Prerow it can only be reached by foot, by bike or by horse-drawn carriage. Via Zingst, you cycle back to the mainland, to the former Swedish town of Barth.

### Day 6: Barth – Stralsund, approx. 45 / 55 km

Look forward to the last section of your tour: the three towers of the Hanseatic town of Stralsund beckon from afar. Its former importance as a trading town can still be seen today. Let your evening come to a pleasant end in the old town, which has been declared a UNESCO World Heritage site because it has been so beautifully preserved.

### Day 7: Excursion to Hiddensee island

In the morning, take the ship to the island of Hiddensee, where you can cycle to the 28 m high lighthouse „Leuchtfeuer Dornbusch“, or spend a day swimming on the beach, or take a horse-drawn carriage ride... You are spoilt for choice. In the afternoon, take the boat back to Stralsund.

### Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
