Itinerary / services

Your tour:

The route is a curvy one when you follow the course of the Main River. The changing countryside has lots of new and surprising impressions and delicacies in store for you. From the beer town of Kulmbach where the Red and White Main rivers meet, you cycle to the town of Bamberg, some 1000 years old. Explore Volkach, the wine-producing town on a curve of the Main river, and last but not least, experience the Franconian metropolis of Würzburg, also known for its wine. Stopping for a break here is worth it many ways: but especially for the wine and beer and the tasty local bites. The choice to cycle the Main cycle path was just right!

Day 1: Individual arrival in Kulmbach

The brewery and old margrave town of Kulmbach invites you in for a wander to see its old walls, towers and rambling little lanes. If you like a more athletic approach: a lovely route takes you up to Plassenburg Castle - the town's striking landmark. The views up here are wonderful.

Day 2: Trip to Bayreuth, approx. 60 km

Today you're going on a trip to the world-famous festival town of Bayreuth, where many musical, architectural and landscaped sights await you. This, Upper Franconia's largest town, is home to many historic buildings and museums.

Day 3: Kulmbach – Bad Staffelstein, approx. 45 km

Just after you leave Kulmbach is where the Red and the White Main rivers meet. The young Main makes its way into an ever widening valley. In between the Franconian Forest and the Franconian Jura, you cycle along quiet forest paths and field trails. At today's destination, the Obermain Thermal baths await you!

Day 3: Bad Staffelstein – Bamberg, approx. 35 km

Enjoy the colourful meadows and old orchards of the flat and expansive Main Valley, its small villages and the treats they have in store. The historic quarter of Bamberg, declared a UNESCO World Heritage Site, is the rousing highlight of today's Main cycle path section: the town is home to nine breweries!

Day 4: Bamberg – Schweinfurt, approx. 60 km

You will be cycling through the valley, following the Main. Today's stage will leisurely take you through wine villages and orchards along the river. Later, you will cycle through Haßfurt and finally reach Schweinfurt in Lower Franconia, with its beautiful Holy Trinity church.

Day 3: Schweinfurt – Kitzingen, approx. 60 km

In the pilgrimage church Maria im Weingarten, which was built in the 15th century, you will find the famous floating Madonna in the Rosary by Riemenschneider. Volkach is the centre of the Maindreieck wine region. The Main continues meandering along the valley towards Kitzingen, which is famous as it boasts the oldest wine cellar in Germany.

Day 6: Kitzingen – Würzburg, approx. 35 km

They usually drive directly along the Main towards the "sugar town" Ochsenfurt and then roll steadily along the right bank of the river, accompanied by barrages, marinas and vineyards. Again and again you will pass charming little villages before finally reaching the pulsating city of Würzburg. This lively baroque and cultural city is surrounded by vineyards and dominated by the Marienberg Fortress.

Day 7: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
