Itinerary / services

Your tour:

Part two of the castle road cycle path leads you from Rothenburg to Bamberg, passing beautiful old castles and fortresses and countless old half-timbered houses. Not only will you spend a night in a real castle, Castle Burg Rabenstein, you receive also beer coupons for Bamberg, the city of beer breweries. That's why you will get to know the regions rich history not only by bike but also by taste. One dinner on Castle Burg Rabenstein is included as well as an extra day in Bamberg, since there is so much to discover in this one town.

Day 1: Individual arrival in Rothenburg

Rothenburg ob der Tauber is the epitome of medieval town romantics and has been immortalized by artists such as Spitzweg and Richter. Be guided through the town in the evening by the night watchman and learn all kinds of interesting facts about life in Rothenburg back in the day.

Day 2: Rothenburg – Wolframs-Eschenbach, approx. 60 km

You leave the romantic Taubertal valley and follow the "Burgenstraße" cycle path. In Colmburg, the mighty Zollernburg castle towers over the town. From here you follow the Franconian Rezat to Ansbach, a splendid margrave residential town. You keep following the Burgenstraße to Wolframs-Eschenbach. There's a lot to see in this medieval town!

Day 3: Wolframs-Eschenbach – Roth – Nuremberg, approx. 60 km

Today you follow the Burgenstraße cycle path again, passing the moated castle in Lichtenau, and reaching Roth. Visit Ratibor castle before you follow the Main-Danube Canal to Nuremberg. The castle, which has accommodated numerous emperors and kings, overlooks the imperial city majestically.

Day 4: Nuremberg – Castle Burg Rabenstein (Ahorntal valley), approx. 50 km + train ride (not incl.) or approx. 95 km

You follow the Burgenstraße cycle path, which leads you to today's destination, Rabenstein castle. There are quite some inclines and descents today. But it is worth the effort! Beautiful landscapes and numerous castles along the way makes today's stage very diversified. If you want to take some more time wandering through Nuremberg in the morning, we recommend shortening today's stage with a train ride to Forchheim. An impressive building welcomes you at today's destination: Rabenstein castle. [Today's charme: Dinner at the castle's restaurant is included!](#)

Day 5: Rabenstein castle (Ahorntal valley) – Bamberg, approx. 50 km

Just a few kilometres after your start you will reach a record-breaking town: Aufseß. You think that it's just a small town but it has made it to the Guinness Book of World Records. You are now in the town with the most breweries per resident! Before you continue today's bike tour to Bamberg, you should take a break here and try some of the beer.

Day 6: Sightseeing in Bamberg

In Bamberg there are numerous sights that shouldn't be missed. Visit the imperial cathedral and wander through the beautiful old town with its town hall, being located on an artificial island in the middle of the Regnitz river. A guided tour through one of the many local breweries is also very interesting, as well as visiting the brewery museum.

Day 7: Individual departure or extension of stay

After breakfast, you start your individual return journey home or extend your stay.
